PROFILE

Web & UX/UI Designer with 2 years of experience and more than 200 websites designed and delivered. Specialised in modern interface design, Figma prototyping, front-end integration, and responsive WordPress website development. Passionate about user experience, I create digital solutions that combine aesthetics, performance, and usability.

PROFESSIONAL EXPERIENCE

Web Designer

Triweb | 2024-2026

- Designed and developed modern, responsive business websites.
- Created UX/UI designs, wireframes, interfaces, and responsive layouts.
- Developed visual concepts and interactive prototypes in Figma.
- Integrated front-end interfaces using HTML, CSS, JavaScript, and Bootstrap.
- Created, customised, and managed content using WordPress and CMS platforms.
- Optimised user experience, visual consistency, and website presentation.

UX/UI Design & Video Editing Intern

ETAP | 2024

- Contributed to UX/UI design and multimedia production in a professional environment.

Graphic Design & Video Editing Intern

Company | 2023
